

TR-8050 TR-8050 Semi-automatic Coaxial Wire Stripping Machine - Product Specifications

|                |                                                                             |
|----------------|-----------------------------------------------------------------------------|
| Power          | AC220V/50HZ,                                                                |
| Function       | Cable Stripping Machine                                                     |
| Cable-diameter | ∅10mm-∅50mm                                                                 |
| Price          | FOB - confirmed at quotation                                                |
| Lead time      | Confirmed at quotation                                                      |
| Key Features   |                                                                             |
|                | - Maximum number of peeling layers: 9 layers                                |
|                | - Working environment: -5~45 degrees dry and vibration-free working surface |
|                | - Driving mode: motor / Taiwan TBI ball screw drive                         |
|                | - Applicable wire: coaxial cable, new energy cable                          |
|                | - Rotary cutting blade: 4 pieces of imported tungsten steel                 |
|                | - Centering blade: 4 pieces of imported high-speed steel                    |

Commercial & Delivery

|               |                                                             |
|---------------|-------------------------------------------------------------|
| Certification | CE-certified machinery, ISO9001 factory                     |
| Quality       | 100% run-in tested before shipment; test video on request   |
| Warranty      | 12 months standard; spare parts support                     |
| Payment       | T/T 30% deposit, 70% before shipment                        |
| Packing       | Export-grade wooden case / carton, QC photos before packing |
| Shipping      | Sea, air or express - tracking provided                     |
