

TR-SH10 TR-SH10 Pu Stone Skin/cultural Stone Hard Foam Polyurethane Co Specifications

|                       |                                                                                                                         |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------|
| Warranty              | 1year                                                                                                                   |
| Contact               | Lily 0086-13715588365                                                                                                   |
| Price                 | FOB - confirmed at quotation                                                                                            |
| Lead time             | Confirmed at quotation                                                                                                  |
| Key Features          |                                                                                                                         |
| -                     | TR-SH10 pu stone skin/cultural stone hard foam polyurethane cool high pressure foaming machine                          |
| -                     | Suitable for stone imitation wood, hard polyurethane products foam,mainly used in pu imitation cultural stone           |
| -                     | Product Features of PU High Pressure Machine:                                                                           |
| -                     | 1. Adopting three-layer storage tank, stainless steel shell, outer heating sandwich type, wrapped with insulation layer |
| -                     | 2. Adding material sample testing system, which can be exchanged freely without affecting normal production             |
| -                     | 3. Low speed high precision pump measurement, accurate proportion, random error within -0.5%                            |
| Commercial & Delivery |                                                                                                                         |
| Certification         | CE-certified machinery, ISO9001 factory                                                                                 |
| Quality               | 100% run-in tested before shipment; test video on request                                                               |
| Warranty              | 12 months standard; spare parts support                                                                                 |
| Payment               | T/T 30% deposit, 70% before shipment                                                                                    |
| Packing               | Export-grade wooden case / carton, QC photos before packing                                                             |
| Shipping              | Sea, air or express - tracking provided                                                                                 |
