

TR-XD18 TR-XD18 Single Rack Cyclopentane High Pressure Foaming Machine Specifications

|                       |                                                                                                       |
|-----------------------|-------------------------------------------------------------------------------------------------------|
| Warranty              | 1year                                                                                                 |
| Contact               | Lily 0086-13715588365                                                                                 |
| Price                 | FOB - confirmed at quotation                                                                          |
| Lead time             | Confirmed at quotation                                                                                |
| Key Features          |                                                                                                       |
| -                     | TR-XD18 single rack cyclopentane high pressure foaming machine disinfection cabinet production        |
| -                     | Suitable for cyclopentane materials, mainly used in commercial refrigerator freezer, vending machine  |
| -                     | Germany Siemens PLC+ double frequency multifunctional safety device,38 intelligent self-check         |
| -                     | Siemens motors have low noise,high efficiency, low energy consumption,cost savings and high           |
| -                     | The mixing unit is self-cleaning /Anti-reverse/anti-splash/NewV-shaped foam Guns, you can use         |
| -                     | Fuleite's exclusive design plus 7 Inchcolor touch screen, filling processdirect monitoring of station |
| Commercial & Delivery |                                                                                                       |
| Certification         | CE-certified machinery, ISO9001 factory                                                               |
| Quality               | 100% run-in tested before shipment; test video on request                                             |
| Warranty              | 12 months standard; spare parts support                                                               |
| Payment               | T/T 30% deposit, 70% before shipment                                                                  |
| Packing               | Export-grade wooden case / carton, QC photos before packing                                           |
| Shipping              | Sea, air or express - tracking provided                                                               |
